Extra credit

There will be one unannounced extra credit quiz\(^1\) during one of the lectures. This quiz will be worth 5 points. Your score on this quiz will be added to your total score. A score of 525 in this class is considered a perfect score. The additional 5 points on the quiz are intended to help you make up for low marks.

- The quiz is CLOSED BOOKS/NOTEBOOKS, NO CALCULATORS, NO CELL PHONES, NO DISCUSSIONS WITH COLLEAGUES, NO QUESTIONS.
- In order to be well prepared for the quiz
  - make sure that you know the fundamentals very well [if these have been covered in the lecture by the time of the quiz; see also the schedule of lectures on the course website];
  - make sure that you are able to solve all homework problems that were due one week prior to the quiz and earlier.
- The quiz will not require formal proofs.
- You should show all your work on the quiz-sheet/s you will receive.
- Please review the University Code of Student Conduct and Rutgers University Academic Integrity Policy.
- There will be no make-up extra credit quizzes.
