

MATH 300, HOMEWORK 1

Due: Friday, February 1 in class.

Homework policy:

- (1) Late homework is not accepted.
- (2) It is fine to discuss the problems with others, but writeups must be individual. If you have received help for solving a problem, then cite your source(s).
- (3) Consider a homework problem as an essay. Explain what you do in plain English. Write neatly. It is your responsibility that whoever reads your work will understand and enjoy it!
