Advanced Calculus Math 311

**Instructor:** S. Chanillo, Hill Center 714.

**Office Hours:** Thursday, Friday 2-3pm in Hill 714.

**Textbook:** Introduction to Analysis, 5th ed., Edward D. Gaughan

**Syllabus:** I plan on covering Chapters 0-4. A detailed list of homework problems will be supplied later as we cover material.

**Grading Policy:** There will be two mid-terms (each 100 points), a comprehensive Final exam (200 points), and homeworks and quizzes count for 100 points. The final course grade will be based on 500 points. The quizzes will be take-home quizzes that have to be turned in at recitation. You will be given 24 hours to work on the quiz.
