Name: John Doe
RUID (9 digit number): 314159265

Directions:
- You MUST use a No. 2 Pencil on the Scantron form.
- Put your Rutgers photo ID card on your desk next to you for checking by the proctor.
- Fill out your name and RUID carefully on the Scantron form. Be careful. The bubbles for the RUID go from 0-9. They do not start at 1.
- Your instructor will give you the information for course and section for the class you are in. If you are intending to attend this class but are not currently registered, fill out the information as well.
- Fill out the form number listed above (-) in the Code box.
- Answer the following question about your current enrollment and plan for a degree at Rutgers. Fill in exactly one bubble for this section. If you are planning to double major (or more than one of these categories apply to you) pick the one that best describes what your plan is. Under Exam:
  1. I plan on pursuing a pre-med major.
  2. I plan on a life sciences major, but not pre-med.
  3. I plan on getting a business degree.
  4. I plan on getting an engineering degree.
  5. I plan on majoring in Economics.
  6. I plan on a Social Sciences degree, but not Economics.
  7. I plan on a Computer Science Degree.
  8. I plan on a Physical or Mathematical Sciences Degree.
  9. None of the above or not sure.
- You can use the back of this page as well as any white space in this packet for scratch work. Only answers bubbled on the Scantron form will be counted for the test.
- Wait for your instructor to tell you to begin. You will have 45 minutes for this test, which contains 25 multiple-choice questions.
